“ I retired from the Berlin Savings Bank in 1990. I enjoyed having lunch at the Star Restaurant managed by Joe and Rose Aviano. I found that the tradesmen of Berlin and New Britain were old timers at the restaurant and I was always grateful that they accepted me into the fold. Joe Aiudi was a special friend. When ever I appeared he jokingly would announce that lunch was on me the banker. He sure had a good time pulling my leg. The STAR Gang is just about gone but guys like Joe Aiudi will always be remembered with great affection.. Sincerely, BILL WIXON

“ Many memories, first that came to my mind after the news waved over, i walk in the room & there my grandpa is in his chair with a big smile on his face & wide open arms "theres my dolly!" he would say. And i would give him a hug & he would squeeze very tight everytime. I miss my grandpa, hes the only one i ever had & he was the best & will forever hold a strong spot in my heart. Miss you lots already.
