“ Please accept my deepest sympathy. Your mom was a special lady. I have many fond memories of her and all of you growing up on Buell Street.

Suzie, I'll never forget our window talks. We didn't even have to raise our voices to talk between the houses. I can still visualize little David with our "Vacuum Cleaner" and Carol with her big brown eyes.

You'll all be in my thoughts and prayers.

When you have time I'd love to hear from you. It's hard to believe, but Henry and I retired in 2002. Where have the years gone?????

“ Judy must have lived in my neighborhood, because I often met her while walking. She was unmistakable, because she was so tiny and energetic, and always carried a gnarled walking staff. She was quite friendly and talkative, and when we met up we would usually end up talking for an hour! I have missed getting to see her for the past couple of years. She must have been a wonderful mother and grandmother.
