“ My deepest sympathy to Loren and the rest of the family. We will never forget our time spent together in South Carolina as next door neighbors. We enjoyed many wonderful dinners together and our fondest memory is everyday at 5:00 o'clock we would hear Judy calling our names to come on over for Happy Hour on the back porch. Again our sincere condolences.

“ Judy and Loren were a fun couple to be with. We had many parties and picnics up here at the Cayer compound. Loren helped build my brother Barry's house. She was such a delight to be around.

“ I remember when I first met Loren and Judy when they were first dating. They were so much in love and their wedding was beautiful just like the two of them. As the years went by Judy and I became closer and our kids went to school together and had fun times together as we all did as adults. Lots of parties and lots of laughs and lots of dancing to the oldies which she loved so much. But her family was her greatest passion. There was a special glow about her when she would talk about them. To know her was to love her. Rest in peace my dear friend. 💜🙏

“ As her younger sister, Judy was a hard act to follow. Smart, beautiful, popular and boy could she dance! Loved you then, love you still. I hope she's dancing with the angels. Linda
