“ I worked with Julie for a number of years at Lincoln Middle School. She was a special lady. We were talking one day at lunch about travelling and favorite islands. She said she frequented one in particular. Amazed, I asked the name. She replied "Manhattan". Unforgettable!

Remember the day that it was bitter cold & snowing. She saw me walking to school. I was surprised when she offered me a ride to school. I was so grateful for the kind gesture.

“ *Julie was one of a kind. I've known her since I was 19 and right out of Hairdressing School working at Val's Hairstyling in N.B. I've had the pleasure of actually doing her hair for about the last 17 years. She was part of our family at Creations and we will miss her dearly on Saturdays. Rest in Peace. We love you!*

“ *Al,  
Our hearts go out to you during this time and if either of us can be of any comfort to you, please don't hesitate to come in. When you came into my office last week, my heart was breaking for you, and I felt so helpless. When i told Shari, she was deeply saddened. Please don't hesitate to come in and talk to me or ask me for anything,

“ *Mrs. Sargis was my history teacher at Lincoln Middle School. She guided me on the path to the enjoyment of books and history. I will always remember her kindness and positive expectations. She always had a sense for classic fashion and the love of opera. I know you are smiling from up above. Carmen Vega Diaz*

“ My deepest sympathy to Mr. Sargis. He courted and married her during my high school years 1950-1954 at Valley Regional High School in Deep River. She was an inspiring and dedicated teacher whose knowledge, wit and beautiful smile endeared her to all her students.

“ *When asked to name persons who have positively impacted my life- Mrs Sargis is the first that comes to mind. I was her student in 7th,8th and 9th grades. The following is a note that she wrote when I moved on from Lincoln Jr High to Platt High School.  
"Unashamedly use words that today make many people wince- Patriotism, Responsibility, Honor-It will develop in you the self respect that has already become most evident. AMERICA wil be the better for you." Julie Sargis  
Thank You Mrs Sargis*
