“ Mark, Karen & Lynn - It somehow doesn't seem like almost 50 years ago when we moved to Harding St., next door to a great family, the Ahlquists. Lynn, I don't think that you were even born yet! But I have wonderful memories of both your mom and dad - your dad got me through Plane Geometry in high school. And both of your parents were wonderful to my mother which we all greatly appreciated. For Barry, you were such good friends to him. I had a chance to spend some time with your mom before her stroke and right after I became a grandmother for the first time. I'm glad that I was able to share some of that with her. My deepest condolences to all of you - I'm sorry that I cannot be there for the funeral but my thoughts & prayers are with you all. Sincerely, Elaine
