

## June Amanda Robertson Kitson

December 8, 1921 - December 9, 2005

“Thou Shalt be a Fountain of Love”

Our dear and cherished mother went home to be with our Lord, her mother and father, her husband, and other loved ones on December 9, 2005. June Amanda Robertson Kitson, 84, of Warwick and Monroe, NY and formerly of New Britain and Newington CT was the daughter of the late Sander and Emma Robertson, and the widow of Joseph Rylah Kitson, Jr.

The hallmarks of our mother’s life were her abundant joy, and her ability to speak to the heart with great love, kindness and compassion. Those persons who were fortunate enough to know her were blessed by her ability to listen and to uplift the spirit with her love and positive attitude. Our mom will be so sorely missed by all of her family members and numerous friends and acquaintances who knew her and also loved her. During our mom’s life, she was a nutritionist, secretary, and a volunteer for many churches and organizations. However, the real testament of who our mom was, was her ability to instill faith and hope in the hearts of all she encountered.

June is survived by her four daughters and their husbands, Susan and Francis Schmaus, Lori and Philip Lade, Marlene and Patrick Arlotta, and Sandra and Nicholas Schneider. In addition she is survived by her grandchildren Nicole, Joelle, Dylan, Jonathyn, Chelsea, Kaitlyn, Meagan and Daniel, and her great

grandchildren Christian, Tyler, Baylee, Trystan and Peyton. Her brother Alan Robertson and his wife Mildred of Newington CT and numerous nieces and nephews also survive her. Her sister Gladys Childs predeceased her.

Funeral services are Friday December 16, 2005 10 AM at First Lutheran Church, New Britain. Burial will be in Rose Hill Memorial Park, Rocky Hill. Calling hours are Thursday 5 to 8 PM at Carlson Funeral Home, 45 Franklin Square, New Britain. Donation may be made to the Klingberg Family Centers, 370 Linwood Street, New Britain, CT 06052. “ June was a friend and active member from the Monroe Presbyterian Church. She had many special friends there and we send our love and prayers to your family. I was delighted to have met Sue and June again at the Good Shepherd Lutheran Church where I now attend and when she moved to Warwick. It was a special time every time I saw June and Sue there. We had cake and coffee and shared her joy of her family and of church. She was so excited in the latest birth of a great great granddaughter and the last time we chatted they were off to a family party.

*Sue, you are so good to your Mom, and I hug you right now - she had a great daughter. I didn't have the pleasure to meet you all- our prayers are with you all as you celebrate her life. I truly believe she is with your Dad and is resting in peace. May you have the peace of our Lord who comforts us and gives us peace that passes all understanding.*

*In His Love,

“ To June's family,

*I used to deliver meals to your mom when she lived in Monroe. We first met about seven years ago.*

*We became such good friends and she was always a pleasure to talk to and learn from. On Fridays, June was my last stop. That last stop often lasted an hour or more, and we would catch up on local news and family life. June always loved to speak of her daughters and grandchildren--then the great grandchildren started coming along too. I know they were happy events in her life. She was very proud of you, her daughters and all her family. She often spoke of her husband and was glad he was not suffering anymore. I hope now June is with Joe and they are talking about the old days when they were in the Phillipines and the adventures they shared.*

*June always treated my children like members of the family and always had some little special trinket for my Bonnie, courtesy of all those contests she was always hoping to win so she could help her family. I'm sure you girls remember trying to talk Mom out of buying those things, but she always hoped she'd hit "the big one" and then have money for all of you.*

*When she moved to Warwick she gave me a small picture of a Christmas tree to remember her by. It is hanging on my wall in my living room in a special place where everyone can see it when they walk in, and now it will be even more special because she's gone. There is a little star in the picture and to me, that star will be your mom in heaven.*

*I want the family to know that June was one of the nicest women I ever had the good fortune to meet and consider a friend, despite our difference in ages. We shared the same birthday month December and always laughed about the head of hair God gave us both!*

*Now she is at rest, for I know she suffered terribly with her legs and*

*other ailments that kept her homebound. But no matter what the ailment, it didn't contain her love of life or caring for her family and the Lord. She truly was a blessing in my life and I will always be grateful to meals on wheels for making our friendship possible.*

*God has finally called you home, June, and I know you're up there with the angels dancing in the clouds, no more pain and suffering. If God can give me one gift, I hope it is that I can be a source of inspiration to others as you were to me God bless you, girls, I really loved your mom. I missed her terribly when she moved and got down to see her a few times in Warwick. I will miss her very much.*

*June, you may have never "hit" the big prize but you had a loving family and a big heart for everyone. With all those grandchildren and great grandchildren-you certainly hit the lottery.*

*Love and condolences to you all, and goodbye, June, it was a pleasure and an honor to know you.*

*Sincerely and with lots of love,  
Kathy*
