“ I was so sorry to hear of Karin's passing and not being able to enjoy a well deserved retirement.

She was a big help in training myself and many other women coming back to the work force to become Unit Secretaries.

She was always there to support us and anyone in need of her expertise.

Bob my sympathies and so glad you were able to have all these years to enjoy your life with Karin.

She is now at rest with Phyllis.

“ Im sad to learn of the sudden passing of Karen. We were next door neighbors and friends, growing up together, going to jr. high school & high school, until she moved to Southington. If I could tell you everything we did it would take a book. I would like to share a light moment of her life. We would go to The Strand Theater on Saturdays only as a treat if the \$ was possible for both our families Pit & The Pundeleum, a favorite movie. We had a hot dog & coke at the Strand Lunch, smoked our 1st cigarette, on our long walk home we talked about what the future would bring. Karen was a great friend, caring person, fabulous musician. To my friend i know you are in a better place. God Bless you girl. Hoping the fond memories will ease the pain of such a great loss. Lisa Garabedian.

Please accept my deepest love and sympathy for the loss of your sister. Im fondly remembering growing-up years in the old neighborhood. God Bless and help with your loss.
