“*Kathey was a very special and kind person. If someone was hurting she was there to comfort them. I will always be very thankful to God for giving me such a special sister, friend, part time mother. You will be missed but not forgotten.*”

“*For a short period many years ago, Kathy and I waitressed together at a local restaurant. I knew her slightly from our school days, but as we had the opportunity to work together, I soon found out that she was a fun loving, smart, and loyal person. After I left the restaurant, we did not see each other again, but we exchanged Christmas cards for 26 years. I pray that she is happy in her after-life. Happy Angel Day Kathy. Love, Dee*”
