“ I was in almost all of Kenny's classes freshman year, and we became quite good friends. The one thing I will always remember about Kenny was his awesome smile and personality. I am the girl sitting in front of him at the prom table picture. He kept the whole table laughing the whole night. Me and him were talking about the Aqua Turf food, and he assured me that the shrimp was ok to eat! I am also close friends with Kenny's friends Matt, Chris, Eric, and Howie. I have talked to all of them, and they are so supportive of each other, and I know Kenny will never be forgotten among them or any one that ever had the pleasure of knowing him. I can't say anything to make you feel better, but please know that I thank you for bringing Kenny into this world, because he touched more lives than he could ever know. I will always remember him, and I feel safe knowing that I have my guardian angel watching over me. I know he has them all laughing up there, and the day will come when we all reunite and get caught up on what we have all been doing. If there is anything you ever need at all, please let me know. I am more than happy to help out. Stay strong, and the pain will hurt less, though the memories will never fade. God bless you all!

“ Dear Mr and Mrs Hill,

You have no idea who I am. I am friends with Kenny's friend, Matt Wisenuski. I went to the Southington Senior Prom was honored to have meet your son while I was there. He is an amazing guy who will always hold a very special place in my heart. I didn't know a lot about him other than he always had a smile on his face and that he never complained. He is in a much better place now and will always be with us no matter what. God will hold him close and Kenny will always be watching over us. Think of him as your guardian angel cause that is what he will always be to me! God Bless You and you will remain in my family and my prayers and thoughts.

“ To the family of Kenny,
You have my deepest sympathies for your loss. I just felt that you needed to know how special Kenny was to all of his friends. He always had a quick joke, a smile, or a story to make you laugh. He put himself before others, no matter what happened. He was a gentleman in every sense of the word: he hated to see anyone get hurt, he held doors for girls, and gave people hugs. He was a smart, funny, phenomenal kid. While I didn't know him outside of school, he was a very good friend of mine in school. I feel sorry not for the people who did know him, but for the people that didn't have the pleasure of knowing him. He was an inspiration to everyone that knew him, and will most certainly be missed. If I can do absolutely anything to help you, please feel free to contact me. I would love to be of service to you. Kenny will never truly die, he will always be in the thoughts and memories of those who knew him. All of you are very strong, noble people, and I am happy that I got the chance to meet you, even if it is for this type of occasion. You have a wonderful son, and I am sure that your daughter will turn out just as well. Keep on smiling, you have a wonderful son, and we the class of 2001 and all his friends are very proud of what he accomplished on Earth. He will be in a better place, watching over all of us, as another star in the sky. He would have wanted us all to celebrate his life, not mourn his death. I know that I will see him again someday, and I hope that I can tell him everything that I have told you. You all should be very proud of everything that you have taught him, and allowed him to share with us.

Love,

“ Allison, Kenneth, and Laurie;

My thoughts and prayers are with you guys.

Kenny sure did it right. If I have a choice, quick and in my sleep would be my preference. He must have already passed the final exam we call life for God to call him so soon. I'm guessing we still need to study some more. I hope Ken will give us some answers.

Ken is with God and God is with you so really we are all together.

Period 6 Earth science class would be with you too but I would not let them leave the classroom without a hall pass...but their thoughts and prayers are definately with you too.

God has blessed you with Ken. His memory will carry you and time will heal his absence.

I wish you all my love and God's continued blessing.

“ We will always remember Kenny fondly. Scott and all his buddies shared many good times with Kenny. They spent many Friday evenings in our living room joking around and watching videos. As Scott told us, "Kenny's all right now. He's with God, and he's watching over him." Our prayers are with you. Love, Bill, Chris, and Scott Boulanger
