“ *To the Swain Family,*

My sincerest condolences on your loss. Ken was a wonderful person. He was funny, caring and always a joyful presence to be around. We were friends in high school and college and through First Lutheran. I have many fond memories of him. He will remain in my heart, even though we lost touch over the years. He is in Heaven looking down and watching over his beloved niece. He will be missed. Godspeed, Kenny!

“ Dear Janice, Laura and Haley,
My deepest sympathy in the loss of your beloved son, brother and uncle Kenny. What a pleasure it was to know him when he was just a small child in the nursery @ First Lutheran. Every Sunday when he ran through the doors my heart skipped a beat for this beautiful little boy. I know he is resting in peace with his Dad and the Lord, and may memories bless you and keep you during your time of sorrow.

*In sympathy and friendship,
Lisa*

“*“May the road rise to meet you. May the wind be always at your back. May the sun shine warm upon your face. The rain fall soft upon your fields. Until we meet again may God hold you in the hollow of his hand.” - Ancient Irish Blessing.*

Jan, Laura, and Haley: Brian and I weep for you. We are praying for all of you.

We all loved talking and laughing with Kenny ...no one more so than Sean! Right now grieve however you need to...take it one hour at a time, or even one minute at a time.

Although Kenny is surely in a better place in heaven, we know that it still doesn't take away the sorrow that you feel. Please know that you are in our thoughts and prayers.

“*Jan, Laura and Hailey, There are no words to comfort you now. Look back at the fun times when they were all young and even though they were all on chemo, we still found the happiness in life. Kenny will never be gone as he will always be close to your heart. None of us can ever forget that smile or the sense of humor he had. Remember to keep all the good times first and foremost in your memory and you will get through this. I know Scott was there with open arms to greet Kenny, they are probably having a great reunion with all of their friends.*

I love you all and I will talk to you soon.
