

Kerry Lee Ingerson

July 25, 1954 - October 18, 2023

Kerry Lee Ingerson, 69, of Berlin, passed away October 18, 2023. He joins his immediate family Robert and Grace Ingerson and “Robby” as he affectionately called him. He leaves behind his beloved pup “Lady Bug”, who was his constant companion, as well as his cousins Donna Janazzo of Harwinton with whom he enjoyed antique shopping and trips up north; Diane Dahn of Southington who he enjoyed sharing a glass of wine and good conversation with; and Brenda Janazzo and her son Jay of Plymouth who he thought of as a nephew. Kerry looked forward to holidays and long visits at their lake house. One of Kerry’s greatest accomplishments was serving in the Air Force as a medic. He proudly would reminisce about babies he delivered and the joy it brought him. He also leaves his neighbors who he was so grateful for, always checking in on him and his special friends at the local garage in Berlin that he frequented often. It brought Kerry great pleasure to give to others from the bench in front of his house, for the kids waiting for the bus, or silly anonymous packages in the mail, passing of a thank you or to let you know he was thinking of you.

Kerry was a member of the Kingdom Hall of Jehovah’s Witnesses in Berlin and requested no services be held. His final resting place will be in the Cape. In lieu of funeral services it was Kerry’s wish donations be made out to your local food pantry or Animal Shelter of choice. Carlson Funeral Home, New Britain is assisting with arrangements. “ I knew Kerry quite a long time thanks to his mom Grace who worked at the Berlin library in the circulation dept. Through many years of working with and helping Grace I was able to meet Robbie and Kerry. Kerry was a wonderful man who loved his family and "Lady bug" of course. He was kind and gentle and always took the time to chat or have a meal with whomever was available. When Grace was in hospital I visited during my lunch break (only had 60 min) and we watched as Grace took her last breath.... ;(.... She always said I was like a son to her and Kerry was so glad that I was there with him.... When we started crying Kerry wanted to open a window to let his mom's soul out of there
Will never forget his kindness and goodness that his original faith inspired him with. At Graces' funeral liturgy Kerry was dressed immaculately and invited everyone to the Timberlin Golf course where his mom and dad were members. His father actually has a "trophy" there from playing golf in the 1960s... God bless the soul of Kerry and his family... Eternal memory ...Thank you Lord

“ I knew Kerry since kindergarten. We recently got reacquainted when we'd run into each other visiting our friend Terry at her Citgo station. I'm grateful that we are able to share many memories of our time in school together. God bless you Kerry, rest in peace.
