“ The Bible says that death is not the end of life; it is only the body that perishes, the spirit can never die ... it continues to live. It is my hope that this thought brings comfort during your time of sorrow. When our heart weeps for our loved one, I pray your mind tells you that this is not the end, but a new beginning of the journey with God. I know you are grieving over Laura leaving this world. How great that there were many years of wonderful memories; hang on to those memories but also know you too are loved.

“ My dear sweet Lala you were not only my sister you were my best friend, confidant and my Walmart buddy. I miss you so much and am deeply comforted by the fact that you waited for me to get to your side and acknowledged that you knew I was there with and for you as I always was. I shall love you to the moon and back for the rest of my days. You would be so happy to know that everyone has said nothing but wonderful things about you. You truly are an Angel. Take charge of your new life in the heavens and show them how it's done. RIP my fantabulous sister.
