“ *John & Holly
Regretfully, we will be unable to be with you during your time of sorrow. Both of us remember your Mom coming to our house with "Johnnie" in the playpen and helping our Mom after her surgery many years ago. Also, visits to Worcester, Ma and New Britain. One vivid memory of a visit to New Britain was Aug. 1955, when our Dad called and told us to hurry home the river was rising. Hence, the '55 flood! Also, all the family get together at Mom & Dad's with all the Aunt's, Uncle's and Cousins. So much fun!! Our thoughts pray's are with you.*
