“ *Larry was a client of ours, but soon became a wonderful friend. He was kind, generous, and always cared about what went on in our lives. He would call us and say hey this isn't about business, but how are you doing and how is your son. He mentioned very often how much he appreciated our work. We loved just sitting and talking awhile before we got to work. He was a very kind and gentle man with a quiet way about him. He will be missed greatly by us, and we hope he met his dear Mother in heaven who he loved dearly. We love you Larry and will miss you allot.*

“ From Dan Reed----- Hi Larry, I spoke to call Bob last nigh & he said he called you to tell you he was going to Judy's brother Ray's home for Thanksgiving & asked you to call him. You didn't call him. I called you on Thanksgiving to wish you a Happy Thanksgiving & to give me a call - you didn't call me back. Saturday, Bob said he spoke to you & you said you spent Thanksgiving at Ashlar Village which was nice to hear. I called you again on Monday the 2nd to say - Hey, what's going on ? Call me. You didn't call me back. And here we are now - you're gone.

Larry & I have been best friends since we were 11 or 12, so that makes 60+ years! It's very hard to grasp that I'll never see you. Who the heck am I going to call for financial advice? I will miss you, David & Lisa will miss you, Bob & Judy will miss you. We ALL will miss you. Rest in Peace until we meet again.

Your friend now & forever.

“ A long lasting memory was a generational family round of golf some 20 years ago at Shuttle Mettle Country Club. Playing was myself (cousin Gary, in my 40's), my cousin Butch (cousin Larry was in his 50's), my Dad (Arthur Crandall, in his 70's) and Butch's Dad my Uncle Larry (in his 80's). Miles separated us but whenever I thought of Larry I would recall this day, his laugh and how much fun we had that round. Rest in peace.
