“ *Dear Levesque Family,*

Our deep sympathy for the loss of Leola. While mouning the loss it always gives me pleasure to read about the life of Leola. A valued associate for 37 years, a parishioner and a family legacy to be proud of. It was not lost on me that she grew up in Fort Kent, Maine. In itself that's an achievement, I know, my mother in law is from Presque Isle. The value of 85 year olds growing up in Maine when they did is incomparable.

Warm regards,

Bruce, Nan and Matt Kraczkowsky

“ *Dear Sharon,*

I am very sorry to hear your mother has passed away. There are really no words adequate enough for this loss. In my life I have learned time does ease the rough edges of the pain as I have moved on to find a new reality.

I wish time to be a healer for you and your family so you feel the love you shared with your mother more than the pain of her absence. Most especially now, lean on those around you and take extra special care of yourself.
