“ *I just wanted to send my deepest condolences on the passing of Mrs. Pera. That is how I knew her. She was my 6th grade teacher at McDonough School in 1975-1976. I still think back on those years fondly as she was one of my favorite teachers. My friend and I visited her many, many years ago it must have been around the time we were in high school 78-82 . We just popped by for a visit and I would have liked to again but we just never did. I just wanted you to know that I still do think of her often and with great affection. You will be in my thoughts and prayers. Paula "Cormier" Freeman*

“ I was so sad to hear that this wonderful lady passed away. Mrs.Pera was my teacher at Mcdonough School many years ago. I will be 47-years-old in a few months, so that tells you how long it has been! What I remember is what an excellent teacher she was. She was tough when she had to be, but to me she had a heart of gold. I will never forget her. She is a part of my childhood that makes me smile.
