“ Dear Bob, Skip and Vincelett Family,

I was so sorry to hear of your Mom's passing. I happened to see her at Avery Heights in June while doing "pet therapy" with my Sphynx cat MooShoo. I visited with her even though she didn't recognize me.

I hope you are all doing well and staying strong at such a difficult time. My thoughts are with you.

Regards,

Donna

“ The death of your mother brought a rush of memories about the old camp school neighborhood. She was a great lady and a true community leader. She added significance to my life back in the 50's. My sympathies to each of you during this difficult time.
