“ David and Cindy,

*I am sorry for you the passing of your mother. I remember playing over your house when we were kids: the sleep-overs and the snow forts that we built in your back yard. Your Mom was always there with hot coco to great us. I will never forget the friendship your mom gave to my mom...my mother always talked about going shopping with Linda.*

*I lost my mother 2 years ago Dec. 15, 2003, so I know what it is like to lose a loved one around Christmas. Take care...my prayers will be with your Mom.*

“ I'm so sorry to hear about your Mom's death. I have so many fond memories of her that I don't know where to begin. 'Auntie Linda' was always special to me. I was proud that she was my godmother and I shared her name as my middle name. When she was single she saved some of her mirrored compacts, old purses and other glamorous things for me to play dress ups with. What a thrill for a young girl to have such a generous aunt! Attending her wedding at the television studio was another 'big event' in my childhood. When Cindy was a baby I would spend many of my school vacations at Auntie Linda's- helping her with light house cleaning while we both admired their beautiful new baby!! Over the years when I think of Aunt Linda I think of a very warm and accepting person. I know she was a favorite person to me from my childhood, and even though I moved farther away and didn't get back to Connecticut very often, I always think about her as a giving and peace loving person. We need more people like her in the world. Love, Sue
