“ Where do I start? Linda was such a generous mom. She was like my second mother growing up. There are so many memories that come to mind when I think of her. She did more for me and my mother when we needed her most. I will never forget the morning breakfasts at Patton Brook Dairy before taking me and Michelle to Linden. I learned so many "oldies" listening to the "Big D" on the way to school. And shopping, oh the shopping! Hit or Miss, Eblen's, it didn't matter where we went or the fact that I didn't buy anything. Spending time with her and Michelle & Donelle, I will cherish forever! And, who could forget listening to her and my mom on the bleachers during every season. I will never, ever forget all that Linda did for me growing up. Please know that she was always appreciated and loved each and every day. May she rest in peace. God bless your entire family!

“ Dear Don and family,

We arrived home last night Monday after being in St. Louis, and Mary Trombley told us the very sad news about Linda's passing. Unfortunately, I am working Tuesday nite and Wednesday, but Susan will be able to be at the church tomorrow. Susan was happy to watch Mary's grandchildren so Mary and Ann could go to calling hours. When clothes were no longer hung on the line a daily occurance... like clockwork, we wondered what was happening. Strange how sometimes the ordinary becomes memorable. We will miss her routines. When things settle down a bit, Susan will be over with a meal. We will keep you in our prayers trusting that your faith and hope in our Lord and Savior, Jesus Christ, will sustain you bring you comfort in your grief.

“ Linda, I'm sitting here thinking of you at Union Mfg. working for Chuck, how he would be ranting and raving and here you come saying "wants wrong chuck-ie", calm him right down and make him give you that big grumpy smile. And I remember Joey's lunch where I'm so glad that you lost our bet. It will be hard knowing that your not a stones throw away. I'll miss you. Watch over Don.

“ Whenever Linda called us about her insurance, we always knew who it was by the song in her voice - particularly when she said her name. It sounded as though she was happy with who she was. I know WE were happy with who she was and will miss her very much.

“ What sticks in my mind is that Linda loved to have tag sales, my family joined her a few times, we had a good time with her, she really enjoyed it! We will miss Linda at the T-Bird dances. Linda was always so personal. Linda was a special lady always so happy, friendly and kind. My family feels so very sad that this happened to such a wonderful woman, we will pray for you all in this time of need, and we will never forget Linda. God Bless you all.
