“ I am so very sorry to hear this. I have so many great memories of Lisa, going back to middle school, but especially when we were on dance team together in high school. She was such a kind and fun spirit.

“ Dear Jamie, Kate, Ryan & Family,

It's with such a heavy heart that I read this notice of Lisa's passing. She has been on my mind and in my prayers so often these past several months. Whenever I think of her, I always picture her sparkly smile. She radiated kindness, warmth and acceptance. I cannot help but be struck by the fact that she departed on Thanksgiving Day. A time when loved ones gather and are grateful for their blessings. Lisa certainly has been such a beautiful blessing to you and will be profoundly missed. I'm so, so sorry for your loss. Know that she is always still with you though, helping to guide you with God's love. Undoubtedly an angel on your shoulders. I'm sending you heartfelt prayers of comfort and peace during this difficult time. My sincerest sympathies to you, and Lisa's parents, siblings, and extended family. Gone too soon, but forever in your hearts. love, miki
