“ My mom and Lois were friends ever since junior high school. My mom chose to go to mediplex for rehab so she could spend time with her good friend Lois. My mom and Lois enjoyed many times playing bingo and just talking about the good old days. My mom passed away three weeks before Lois. I know they are together again playing bingo and talking about the good old days. Lois was a great person and will be missed greatly.

“ My dear friend Lois... I am in complete shock today. I just returned from vacation and went to visit you this afternoon. I have come to love you as though you are my family. I will always appreciate and am forever grateful for the kindness you showed my mother Helen while she lived at Mediplex. I know she too felt your sincerity and kindness. I am missing you and am truly sorry that I was not here when you needed someone the most. Thank you again Lois for your love and friendship. I know you are finally at peace and free once again.

My deepest sympathy to your family and friends.

“ I am so sorry to hear of Lois' passing. I always looked forward to seeing her at the Newington Complex - she was a good friend to my Aunt Helen and I was taken back as were the residents on the second floor when I stopped in on Thursday and was told. I thought Lois to be a "love bug" - I'm sorry for her earthly loss but she is truly in a better place.
