“ I am so sorry to hear of your loss... Lorraine, was a wonderful, caring, vibrant woman with a heart of gold! Her heart welcomed me into it when I first started teaching and met her 18 years ago. And, she kept a place in her heart for me all of these years later. I will miss her, her words of wisdom, her kindness, her smile, and everything else that made us all love her! You are all in my thoughts and prayers... My deepest condolences...

“ What a great lady, and the end of an era. No more like her. Sis made you feel as welcome in her home as if you were another one of her own children. We are truly sorry for your loss, and even sorrier that we could not make the service.

“ I am truly so sorry to learn of Lorraine's passing. I, too, was a school nurse in New Britain and we were both retired and often lunched together with the other retirees. I am sorry not to offer my sympathies to you in person and I did attempt to see you, but there was no place to park and the line was so long and I wasn't feeling well, so I came back home. So many people present showed the outpouring of love everyone had for Lorraine. She will be missed.

“ It amazes me think I have known Sis for a relativity short time in the course of her life, but what a wonderful woman she was, she proved to me what a great love she had for her family and friends. She went out of her way to please everyone, I know she will be missed by all. I had the honor of meeting almost all of her family and lots of family friends last year, what a pleasure it was for me. It is hard to believe she is in Gods hands now. My love and prayers to the Ziegler family, stay strong. Mark I will be with you in spirit in the coming days and close by when you return to FL

“ I worked with Lorraine in the New Britain School system. She was one of the nurses who mentored me when I first became a school nurse. I will miss seeing her at our gatherings. I am grateful for the wisdom that she shared with me and I am a better school nurse for having worked with her.  
You will be in my thoughts and prayers.

“ Sis- Lincoln Street will never be the same without you. I look for you every day and am at a loss without you standing there to wave back at me. Julia is going to miss you dearly. I can't imagine spring and summer coming without you outside with us.. on the swing.. bringing treats.. chatting outside in the morning with you in your robe and slippers! We love you so much. I am blessed to have had you in my life as a second Mom for my 35 years. I wish Julia could have had more with you but I will be sure she never forgets how much you loved her, too! Rest In Peace.

“ I will always remember Lorraine as a very special nurse to the many children in New Britain. For me especially she was a role model giving me many practical tips when I first became a school nurse many years ago...which helped ease the stress of the day ..She was someone who was always ready to lend a helping hand especially to her family who she spoke of often.

My thoughts and prayers are with all of you today...she will be deeply missed by all.

Sincerely,

Marianne Kupiec/school nurse Holmes
