“ *Bill,
I'm so sorry to read about your dad's passing.
I never had the pleasure to meet him, but I do remember you talking
about him often.
Reading what others wrote I see he was a kind and generous man.
He must have been very proud of you Bill, you became just like him.
I'm sorry for your loss.

“ *I met Lou at AARP. A quiet man just very willing to help in bringing
our food donations to SCS. As I was President for several years , he
would contact me to let me know he was available to help plus
made donations to sell some items. My memory of him will always
be that generous person who was also noted to be a founding
member who never had missed a meeting!!!!
My condolences to his family and close friend.

Lou and I became good friends when we met at AARP, after my move to Plantsville. We worked together on many projects. He spent more than fifteen years volunteering his services to the organization. He was a devoted and dedicated member who never hesitated to offer his help in many areas. Lou was a bright and pleasant man. He will be missed by all who knew him. My family and I offer our sincere sympathy to Bill and his entire family. Rest In Peace my good friend.
Fondly, Vi Gagliardi
