“ On board Louise and Bobs sailboat, the "Wind Dancer" the best of fun was always had; I always remember sailing to a little island called "Cuttyhunk" on the cape cod bay and buying a seafood platter of freshly peeled shrimp and clams from a local fishmarket on a boat that passed by at sundown to camping boaters on the water, I'd share what I purchased with Louise and Bob after they returned to the boat from walking the dogs and bathing them, because one or the other or both would fall overboard oh, what summer fun!

*Go faster Ron!.....Ron, slow down!!!*

*Of course Louise would be fummin at me when I was at the helm and Bob would encourage to pick up the speed under full sail and of course all the pots and pans would dump in the galley as the Wind Dancer tilted harder. But it was a heck of a good ride trying to catch the "Carlinda" sailboat on Carl and Linda Johnson was a lot of fun and Louise always forgave me as I helped pick up afterwards.*

*Best memory was trying to tye the boat at the docks on Block Island and trying to hook the anchor rope to a post with a full wind blowing. We all laughed about it for hours afterward.*

*Great trips and great memories that last a lifetime. A great sailing couple and the best of friends.*

*Louise will be missed for sure, but not forgotten. A great friend indeed.*

*I was truly grateful to have her and Bob attend our wedding in 95'.*

*Ron and Linda Peach, Prospect, CT*
