“ Paul,

My sister told me of your mother's passing. I want to extend my condolences to you.

If you are ever in the Denver area, let me know and hopefully we can get together.

“ Paul,

I was so saddened to read about your mom's passing today. But she certainly had a long and productive life! I remember her very well and what a sweet person she always was to everyone. I also felt the same way about your dad.

I wanted to let you know that you and your family are in my thoughts at this sad time.

Your parents sure were lucky to have you as a son!

I hope that things are going well for you in Colorado.

*With sympathy,
Shelley*
