“ Hi Meme,
Thank you for including me in your family. I loved being your
adopted daughter and felt so privileged to be so. You made me feel
so welcomed, included and loved. I love you very much.
You taught me how to play cards, to be part of your family and you
told me so many stories about your family and living in Maine.
You loved your Reggie and your children so much and it was such a
privilege watching those relationships.
I have been without a mother for 31 years and you so much filled
that void for me.
You were such a strong woman and one whom I so admired always.
I know you are at peace now w/ Reggie and your son Jim.
Pray for me as I will pray for you and your family.
You will always be a part of my life.
I will always remember your take out hamburger on the side of the
road!! I know you are laughing now!! So am i!!
love,
Your adopted daughter
Maggie
