“ *I saw Lucia's obituary listed in the Hartford Courant, yesterday. I recognized her picture the minute I saw it, and was sad that she had died. I worked with Lucia about 25 years ago at Aetna. I remember that she was a very kind lady with a very nice smile. I want to extend my sympathy to her family. I will be attending a retirement party soon, for another lady that worked with Lucia. I can assure you, that we will all remember Lucia with fondness. My prayers and thoughts will be with you as you go through this difficult time.*
