“ Hi Lucille.....this is 2018 ....sorry I missed the news about your passing in 2005.....The last time we saw each other was the night of the Senior Prom @ NBHS in 1954...I believe that was our first and only date....a few days later I joined the Navy and somehow never contacted each other after that.....primarily my fault....I am truly sorry.....since I'm getting up there in age, I'll be seeing you soon.....love ya...Don D

“ Hi, my name is Aline Lavigne I grew up across the street from your mom. She was six years older than me and brought me to school on my first day of kindergarten. Your grandparents Alice and Walter were wonderful people. I don't know if you had a chance to meet them But I can tell you they were a good family. I just want to say you have my deepest sympathy and you'll be in my thoughts and prayers.

*Sincerely,*
