“ On behalf of my mother and me Antonio Vigo I want to send our belated condolences to her family.
There was never a time that she fail to greet us with God as the theme of the day.
She praise the Lord with all her might and it was a blessing to know the strength she had with the Lord. She sought the Lord and his righteousness to the end and He now gave her what He had promise us. Eternal Life in the Kingdom of Heaven and until we meet again, rest. In the name of our Lord and Saviour Christ Jesus.

“MOM,,,, what else can I say, today we put you at rest, so you can be at the stand by section to HEAVENS GATES.I am sure you agree the service was DIVINE. Your sisters did a great job aswell as your big girl.I just tried to absorb every last bit of you that i possibly could,just like you did before you said fairwell. Your brothers and Guillito hepded me carry you out of the funeral place that really took good care of you,by the way,everyone was comfy it wasnt your fault EVERYONE KNEW YOU ,or maybe heard of you or heard you sing somewhere. The fact is it was a packed house,for a real main attraction ,,your going HOME PARTY,, I saw dad cry for his loved ones that passed before, but i know that he is in ALOT,ALOT,OF PAIN,after about 40 years together,it just wont be the same. YOLI, well she is keeping it together and being a GREAT mom ,we had the BEST EXAMPLE everyday of our lives.Your sisters and bros made sure also your last days were comfy,TRUST ME MOM,I know now why you ALWAYS spoke highly and had them all in a special place. GRANDMA she is a mess but she is the ROCK of this family,,and a tough cookie.For a minute it seemed like I was at the hospital,with all the faces from their that came to say goodbye,over 30 years wow. THE WORD that Emily brought she was truly used,aswell as PASTOR George. MOM we both know that place was full of the presence of GOD since saturday when they brought you in to prepare you. At the grave , I kneeled down next to you to say later on,,NEVER GOODBYE. Your grandkids they WILL get thru this because the word of GOD is ALIVE AND WELL TODAY, and for the ones that knew you already, they came in contact with GREATNESS just to small to realize. MOM last but not least ,I will cry for you ,I will HONOR you ,I will do my best just like i used to tell you at breakfast with ANNIE over our morning cup of coffee. YOUR TOUGHNESS will be remembered and i will leave you with this mom,,I CANT REMEMBER ANY BAD MEMORIES,SO I WONT EVER LOOK TO THAT,SINCE ALL THAT COMES TO MIND WHEN IT INVOLVES YOU IS LOVE, I WILL GIVE YOU AWAY DAILY TO ALL I COME IN CONTACT WITH, You alway spoke highly of me and i will live my life returning the favor..REST IN PEACE QUEEN, broken hearted

“ To My Tit Nereida whom I will miss very much. She was a true angel in every way possible. Always with a smile on her face and always giving great advice when needed..I remeber when I was stressing over my mom being sick from cancer and losing her life, my aunt came to me hugged me and said" Don't worry everything is going to be ok, she is going to a better place" and those words were very conforting to me and put me at ease. She will truly be missed by alot of people but especially from our family..but it is now her turn to be with the lord and making way for the rest of us so that one day we can all be together again.. LOVE YOU TITI

To my uncle and 2 cousins I now tell you what your mom once told me when I was hurting with the loss of my mom
" Don't worry everything will be ok..she is now in a better place".
Just know that you have family that loves you guys dearly and we will always be here for you no matter what.

Below is a peom which I believe is how she would want us to understand her not being with us anymore...

I AM FREE

*Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took His hand when I heard Him call
I turned my back and left it all.*

*I could not stay another day, to laugh,
to love, to work or play.
Tasks undone must stay that way
I've found that peace at the close of the day.
If parting has left a void, then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah, yes, these things I too will miss.*

Be not burdened with times of sorrow

*I wish for you the sunshine of tomorrow.
My life's been full, I savored much
Good friends, good times,
a loved one's touch.
Perhaps my time seemed all to brief,
Don't lengthen it now with undue grief.
Lift up your hearts and share with me,
God wants me now, He set me free.*

“ According to the Lord's own word, we tell you that we who are still alive, who are left till the coming of the Lord, will certainly not precede those who have fallen asleep.
For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first.
After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord for ever.
