“ Jane, Betty, Sophie and Agnes,
I'm sorry to learn of the passing of your Mom. Her passing will certainly leave a void in the hearts of everyone who knew and loved her. I remember fondly all the times I spent at your house in the Circle. You are all in my thoughts and prayers.

“ Jane, Betty, Sophie, Agnes, I was saddened to hear of your mothers passing. I remember Lydia for her big smile. Although we live miles from each other I will always remember our childhood growing up together with fondness. When I look back on pictures of us, it always brings me back to home, being best of friends and all the fun we had. Please know I will carry your families in my thought and prayers.

“ Jane, Betty, Sophie and Agnes: I'm am so sorry to hear of your Mom's passing. I remember how she always was smiling and when she saw one of our family she always asked how everyone was doing, when we were kids she always had time for us. She had a big heart and was great lady. She truly was one of Gods blessings. I am proud to have known her. May she rest in peace and be forever in your hearts.
