“ I remember Lynn’s warmth and charm when she shared a story in front of the fire in her home on Stanley Street. I also remember her love of cats. She also gifted me a pepper grinder set with assorted peppercorns for my wedding just at the same time I was getting into cooking and honing my culinary skills. It was a very thoughtful gift. Lynn was very sweet. I’m sorry for your loss Gail and Mike.

“ My godmother was a beautiful person with a big heart. Who had a big heart for cats. My fondest memories take me back to when I was younger and she loved to read to me and play Barbie’s. She is the one who introduced me to my favorite Disney book the Sword and the Stone. I will never forget her big heart and her laughter, she always lit up a room. ❤️
