“ To the Ahlberg family,

My thoughts are with you as you celebrate Mabel's life. I have memories of a great lady.

Just last week my father George Krepps reminisced about how Mabel and Chick welcomed my parents to First Lutheran and 639 when our family moved to Connecticut so many years ago. They have taught us well about long and lasting friendships.

“ *Dear Family of Mabel,*

As a young child, I have memories of both Chick and Mabel as part of my parents'Cliff and Ruth Peterson social circle, particularly the 639 group.

I remember them heading out for the gatherings, always wondering what 639 meant. It was kind of a cool moniker, and that kind of group has gone by the wayside in today's society - a pity.

I remember Mabel hiring me to mow her lawn, and always getting a nice treat after the job. She was a truly beautiful woman.

My thoughts are with you all at this time, a chance to really celebrate a beautiful life.

“ *Ralph, Beverly and family - My heart and prayers go out to all of you. Mable was 'family' to the Berlin family. She was at my 1st birthday party, and through all the years with the 639 group she and Chick were a very important part of my life. Her graciousness and generosity of heart can never be matched. How lucky I was that she was in my life. May God Bless, Keep and Guide you in your sorrow - Helena*
