“ So very sorry to learn of the death of Madelyn. We were friends at Southwest School and Bulkeley High. We had such fun, lots of laughs. Every class reunion we remember those who have gone on, we will remember Madelyn.

“ *I have known Madelyn for 17 years. I worked with her at the Department of Motor Vehicles. Whenever we passed each other or worked together I called her mom and she called me son. That meant alot to me because she was a mother figure personally and professionally. She is a great lady. She will be missed by myself and many others. Patty I'm very sorry, but you need to think positive and keep the faith for all of the family. I am fortunate to have had a friend and a mom for all those years. Take care. Mitchell*

My deepest sympathies at the passing of your mom. I'm so glad I got to see her a couple of times in the last few weeks. She kept that humor of hers right through the last time I saw her. We will all miss her. Love to all. God Bless. Debbie*
