“ I'll always remember the good times our families had together and how welcome Margaret always made me feel in her home. For most of my early years she was my second Mom.

“ Butch, Tina, Manny and Jon and the rest of the family, when I was a kid I always felt I had two mother's like one wasn't enough she'd pop me and I'd have to go home to get some more. Most of my early childhood memories entailed her and you guys. God Bless you all and may His peace be upon you.

“ Just a short note to say my thoughts and prayers are with Mrs. Alves's family. I am with the Pasadena Central congregation in Pasadena Texas. I write obits, because I cannot get around very well. I used to live in Conn., so was checking obits to write there and saw your announcement. Although it is such a hard thing for the family to get through, we know she is in Jehovah's memory. We just had a service for a dear brother here yesterday, and it is still hard losing a loved one. I know Jehovah will give you strength..... Love,
