“ To the family of Peg (Gooby) Fletcher" My husband and I would like to send you our sympathy on your recent loss. I never met Peg but heard much about her from my sister Ella Bailey. The words of her obituary tell me her life was well lived and the smile on her face tells me how kind and generous she was. I wish we had been able to meet her.

Sincerely

Phyllis (Goobie) and Max Beckett St. John's Newfoundland Canada
