“ Hi Family, sorry for your loss. I sat in front of Peggy in Monk Manion’s history(?) class. We sat alphabetically. She and I would gab a lot but this one time Monk saw me turned around. Well, caught red handed and red faced he calls me to meet him in the hall. He comes out after me wielding his disciplinary wooden paddle!! Bent a bit with hands on lockers I received my ‘reward’. What a memory yet how we enjoyed chatting. May the Lord comfort and give you peace during this solemn time and in your days ahead.
