“ *With deepest sympathy in the loss of your wife, mom and grandmother. I had the pleasure of working with Marge when I worked the night shift at what is now the Hospital for Special Care. She was a wonderful person, always had a genuine smile when we worked together. She was so kind and caring to all the staff and to all our pediatric patients. I remember how thrilled she was when she was given grandchildren. I will always remember our times together on the night shift, back then we had time to laugh and joke around. May God Bless your family. Kris Fetera/ Choinski*
