“ I remember having oatmeal everytime Babcia watched me...it was so yummy. Loved raiding her garden for yellow raspberries.

“ Babcia - you have given me lots of wonderful memories. Your beautiful garden, the lovely clothes you made, the delicious food you cooked up for us. Making pierogies with you. Watching you and Dziedek make angel wings. Listening to your stories. Travelling across the world with you to visit family. I will miss you and always love you, but happy to know you rest peacefully in heaven.

“ Favorite memory of Babcia, Me and Esther getting lost in her huge garden, eating a ton of raspberries then coming back inside empty handed watching Babcia make home made juice with a smile on her face asking us where did all the raspberries go??
