“ I have know Marie my whole life through the Salvation Army. She is such a caring , loving person. We spoke on the phone every month and joked about the Golden Years. Now Marie is walking on the streets paved with Gold in heaven with our Lord Jesus Christ. Miss you.

“ Annie-Rie was a truly amazing woman. Unfortunately I've only known her a few years, but from our first meeting Aunt Marie was nothing but kind and caring towards me. She treated me as if I were part of her own family, another niece. Her unsurpassed compassion for humans and animals alike is something that we can all learn from her. Aunt Marie had a heart of gold, and we were all truly blessed to have known her.  
Papa, Mama, and Moose - I am sorry for you loss, its going to be difficult without AnnieRie, but thank you for giving me the opportunity for meeting such a wonderful woman.

“ I have known Marie my whole life through the Salvation Army. She was like a favorite "aunt" to me. I remember her always smiling and friendly. She was loved by many and will be missed by all. She was one of God's faithful servants, and she is with him now. Thanks be to God!

“ Marie gave great support to my Grandmother and our entire family; she really was part off the family when I was just growing up. She had one of the biggest and kindest hearts of anyone I have ever known.

*Marie, thanks for just being who you are, you meant a lot to all of us and still do after all these years*

“ When I was young, Marie was the kindest and most loving person to me. She helped shape who I am today and I'll always be grateful. She meant a lot to our family. Rest in peace "Aunt" Marie.  
PS - When you see Grandma, tell her I go to church every Sunday!

“ I just wanted to say that Marie was one of the nicest people that I've ever known. She was such a sweetheart. I've known her since I was about 7 years old through the Salvation Army. I remember that when I would go to home league meetings just to say hi to everyone she was one of the people that I was always so excited to see. She always greeted me with a warm smile and a hug, and I have to say that that is probably my fondest memory of her. She was an amazing woman and she will be truly missed.
