“ Dear Ray & Sue.
Our memories of Marie include our experience driving and escorting a New Britain Senior Center motorcoach trip to Texas in 1985. Among the passengers were the two Marie Venbergs. They helped to make the trip a memorable one for us. The passengers and the trip were the best we had the privilege to experience. We still share the story of how we all had to wait at our stop at the Football Hall of Fame while the two Maries took the time to read almost every plaque. We thoroughly enjoyed traveling with Marie and remember her fondly. We are sorry for your loss.

“ Dear Ray and Sue,
My thoughts and prayers are with you at this time. I enjoyed visiting Marie at the Jerome Home and I will miss her. I still recall one occasion when we prayed the Lord's Prayer in German and she was able to follow and speak the words quite well.
Peace be with you,

Pr. Alex Busch

“ My deepest sympathy and condolences go to the family of Mrs. Venberg. It is a very sad time when we lose someone we love. We remember the good times we had with them and how much we love them. The Bible gives us a comforting message to help us cope with their death. This message is found at Revelation 21:3, 4 and Isaiah 33:24. May these words bring you comfort as they did me when my mother died.

*Deepest Sympathy,
Ms. Floyd*

“ My childhood holidays always included Mrs. Venberg ~ I remember her fondly visiting with my Noni and being part of our family. My Uncle Ray set a wonderful example of how a son should care for his mother - he was always there for her. Our memories are happy ones and our thoughts and prayers are with you all.
