“ Dear Margaret,  
Words cannot express the sadness I am feeling for you...  
I will always smile when I think of Marion. I loved being around her,  
and listening to all she had to say. She was an amazing person.  
Your devotion throughout the years, and especially throughout  
these past difficult months, show the love you had for her... and -oh-  
how she loved you..  
I know the days ahead will be difficult..  
Margaret, I will always be here for you,  
whether to share memories, thoughts, or tears.  
I am so sorry...

“ Stephen, Liza, Stephen, Stella, Margaret and Al, Joan and I are so saddened by the passing of Marion. I have known Marion since high school. While talking on the phone with Margaret yesterday, I had a nostalgic flash of being on Monroe Street on Christmas Day evening sitting around the kitchen table playing cards and drinking coffee and eating Assyrian pastries with Joanie Bennie would always be standing, and various friends of Marion and Margaret. Blackjack was the game of choice and every year Marion was the dealer. It was appropriate that she dealt the cards because the truth is Marion was always so much smarter than the rest of us - - so quick with numbers and always 10 steps ahead of anyone. I loved that kitchen and looked forward to that night all year long. Throughout the years, Marion was a loyal friend, always willing to help whenever I needed anything especially pertaining to New Britain. I have a strong feeling she is in heaven playing cards around a kitchen table with Joanie and Bennie. I hope she takes a break today and tomorrow and listens in on some of the conversations so she knows how much she was loved and respected by so many people.

“ Dear Stephen and Liza:

*Since the moment I met both of you, playing Monkey in the Middle in Nannie's driveway when I was 11, I became a part of the Carey Family. The warmth of Nannie, Marion and Steven was wrapped around me and it never let go. Your family became my family. Love like that is rare and beautiful. I'll never forget how thoughtful she always was to me, having me come along to the beach house, Meadowlands, hanging out at your house... I always felt welcome-just like family. The phone calls at midnight with Liza are my most current memories of Marion, conversations that I will cherish forever. She will live on in our hearts and memories. I'm sure her and Nannie are in Heaven looking down at both of you with nothing but love and appreciation in their hearts. Both of you were her world. I love you both, just like family. And I am keeping all of you in my thoughts and prayers. Love, Catherine*

“ When I first met you, you told me that I am family "whether I like it or not." That's the kind of person that you were, so warm and loving. I know that God is embracing you in heaven with the same kindness that you showed me and everyone else who was blessed to cross paths with you. We love you.
