“ We will always remember the "fun times" we had with Marion and family at Kring Point State Park for many years and her great sense of humor and lovely smile. Our thoughts are with all the family at this time.

“ My memory of Marion is growing up on Landers Ave. and remembering Mr. & Mrs. Coe as one of the best neighbors anyone could have. They were always together so if you talk about Marion you are also talking about Stanley. They were very supportive to all the long standing neighbors over the many many years and helped out when ever needed . They were true neighbors and Marion will be missed. I also remember Marion telling be how much she enjoyed the Halloween decorations I displayed outdoors each year.

“ My fondest memories are the family gatherings we have had. The times at the shore and Thousand Islands were special for me. I have always thought of these as happy ones. My life has been enriched by having Marion a part of it. Our vacations, family reunions, and First Baptist Church Sundays are a strong part of a youth that is so rich in love and warmth. I will deeply miss her and all the vacation post cards we have exchanged over the years. She has touched my life, and I am thankful to have known such a gracious lady. All my love, Marion, peace forever more. To Stan, Tyler, Ursala, Greg and Sharon and family, your loss is the greatest of all. May you find peace in knowing she is with our Lord, and that one day we shall see her again. I love you all. Jan
