“ Hello Ed, Crespans and all the family.
We are so sorry to hear of Marion's passing. We will always remember Marion over with Karen, doing the ironing. Marion was the best person with an iron. She was always helping Karen in anyway she could. She always had a smile on her face when we saw her. She will always be a great memory in our hearts. She was just someone you could always count on. Being a babysitter or just someone to talk with during one of the many Crespan parties. God bless Marion and all of you family. May you all have the courage and the strength to get thru this chapter in your lifes.

“ Uncle Ed and family,

I was so sorry to hear about Aunt Marion. I will always remember her being so much fun at family get togethers and also how she used to draw pictures and write words on the kids backs and we had to guess what they were. She never seemed to get tired of it even though I'm sure she probably did. She was always so happy. She will be remembered by me very fondly!
