“ I was very fortunate to call Marge colleague and friend. I will never forget all the Slade get togethers..Marge was always there joining the fun...baseball, volleyball, horse races...you name it..her laughter and enthusiasm for fun was contagious. Marge was also always there as a friend, confidant , supporter and advisor....Even years later , I remember our talks and try to follow her caring, compassionate advise. As educators we know how important it is to support each other...Marge was always there for all of us with open ears, advise when asked and open arms. Rest In Peace...the world is definitely a better place thanks to you...you touched the lives of many students and colleagues...you are missed. ❤️
