“ Mark was Great friend ! I do not know why, but he mentored me and great compassion when my father died. He and Debbie followed me to Troy, NY so that I could pick up my car. Good thing, my back tire came off. Without hesitation, he gave me his spare. I have so much more ! With great sorrow, I could not be there for him at his passing. Not fair ! “ Mom and Grandma,

We love you and Mark with all our heart and will miss him dearly. He was a great person and will always be remembered that way. He was very outspoken and loved to chat about everything, our conversations I will always remember. Mom, you did the world for him and I know you will miss him dearly, just know I will always be here for you. Although his journey may have ended here, he is in a better place watching over you.

Love Always,
Kimberly, Jay and Joshua

It was with great sadness that I learned of Mark's passing. We were so very fortunate to have known him for so many years and to have been a part of his family's life. There are so many happy memories of the countless hours we all spent together. These are cherished and will never be forgotten.

“ Deepest sympathy to all members of the Anderson and Bonvie families.

Mark, you will be missed. I will always remember your sense of humor, wit, our discussions of things "trivial", and most of all the happiness you brought to Linda. Rest in peace. It was a pleasure to be included among your many friends.
