“ I am so sorry to hear of Marks passing. While it has been many years since our paths crossed, I never forgotten one of the first friends of my youth. Wheeler School, Boy Scouts, YMCA, playing up on the mountain as kids and High School. While he might be remembered as a talented and gifted athlete who excelled at whatever sport he played without even trying, I remember Mark as a decent and loyal friend who treated people with kindness and with respect. That is what I recall when I think back to my youth. Even though our lives took us on different paths my old friend was never forgotten and I am saddened that our paths will not cross again. Be well old friend and my sincerest condolences to his family.

“ I am saddened to read and become aware of the death of PHS '75 classmate Mark Hansen. I met Mark September '71, freshman year, and became friends with him on the football field. To see Mark run was witnessing a gazelle, so gifted, swift and strong. Our friendship continued, through school, the YMCA, swim team and I believe a class or two. My condolences and sympathy to his family.

“ On most mornings, Mark was the first person I met when I arrived to work. I would pour a coffee and we would talk. Mark was our cook, and I trusted that the day would be smooth when he was on. I especially enjoyed when he talked about his family and how proud he was of his daughters. He also was kind and respectful to our clients. His presence is still here.
