“ I wanted to express my sympathy over Mark's passing. I knew Mark well in high school, we graduated together and we were close. Mark was always a gentle man and had that dry sense of humor that always made me laugh. He teased me and called me candle crandall but always kidding. We always hung out in those days in large groups and went to the beach as often as we could. He was sweet and kind and I will always remember him.
I am deeply sorry for your loss but also happy to see he has children to pass his memories on to.
Kindest regards,
Cheryl

“ My sincere condolences to Mark's family. I will always have some fond memories of stocking pheasants, going to breakfast, then bird hunting with Mark while I was a member of the club. Tom
