*It took me a while to write this because i honestly don't know where to begin. Growing up you and Pepe were like a guardian angel to me..always making me feel loved and safe and protected. I know you have waited for us to grow up and love us with all your heart until the day when you could be with Pepe again. I'm so glad that not only i had the chance to love you and spend time with you, but my kids did too. I love you so much meme and will miss you always, but am glad that you are where you are meant to be, happy and healthy with your husband.*

“ Dear Aunt Mickey

*It's always sad when a loved one leaves us but our memories stay with us forever. I have so many warm memories to look back on - overnight stays at your home, holiday family celebrations, shopping trips to the Christmas Tree Shops and other fun spots, even a trip to Florida. Till we meet again -*

“ *Dearest Mama, these past 20 some odd years has brought us sorrow and happiness, but I am truly blessed to have been able to share them with you every day. As my adventures continues I know you will be watching from heaven, ready to catch me when I fall, guide me when I stray and protect me when I am weak. Butterfly kisses . . . .*

“ *Mama, God saw that you were getting tired, and a cure was not meant to be, so He put His arms around you and whispered come to me. With tearful eyes we watched you, as we saw you pass away. Although we love you deeply we couldn't make you stay. Your golden heart stopped beating, hard workings hands at rest, God broke our hearts to prove to us, He only takes the best*
