“ *My sincerest condolences to all of you. I regret that I cannot attend Auntie Marie's service, but I am in Florida with Grampa. Auntie Marie was always such a fun person to be around. I have many memories of going to her house to watch the fireworks and playing cards with her. I am grateful to have known her and, especially thankful that she was able to share stories with me about my Uncle Paul, whom I admired very much as a painter. My thoughts and love are with you all today.*
