“ To the most precious Aunt this world could ask for. She will be missed by everyone. We will miss her beautiful smile and the most kind heart. She would never let anyone leave without saying "Drive Careful" She had the most biggest heart. I always wanted to be like my Aunt Dike Mary. She didn't ask much from this earth. But appreciated having a little something. I had the honor of growing up with her and all my other Aunts and I love them all like sisters! Mom sends her love and all your neices and nephews. We will always think of you when we look to the sky and know you and grammy are close by. Be with us as Angels and guide our way through this tough world and its comforting to know your in a better place. With all my love Ronda.

“ You will be deeply missed Mary by both Anissa and I. We will miss sneaking up behind you at shaws to say hello and see how you are doing. I really wish you weren't gone Mary but I am just glad you are not in any more pain. They say the Lord works in mysterious ways and this is a way I do not like. You were always so nice to me and treated anissa and I like we were your own. Thank you Mary for all the Joy you have put in our lives. Thank you and we LOVE YOU. R.I.P.
